## COMPANY PROFILE

JORDAO is a Portuguese leading company supplier of refrigeration equipment ideal for small, medium and large size stores. Specialist equipment for supermarkets as well as both the private and public hospitality sector.

It is JORDAO's aim to evolve with market trends, to utilize the years of service experience to react customer demands in technology but also keeping the aesthetics of products at the forefront of its ethos.

By offering complete and personalized solutions, which are completely suited to the requirements of each customer in terms of function, service, exposition and performance JORDAO is growing year on year.

We have created exciting and innovative products for some of industries well-known companies such as Yata Supermarkets, Carrefour, Appetite Healthy Food, El Corte Inglés, Costa Coffee, Repsol, 7 Eleven, Delifrance, Starbucks...

JORDAO provide innovative high quality refrigeration equipment and solutions for the FOOD RETAIL and FOOD SERVICE. Delivering efficient, reliable and customized equipment with reduced life cycle cost. Chilled and hot food conservation solutions.

Certifications and Product compliance:

ISO 9001 and 14001 | GOST | ETL | CE | SASO | INMETRO | RoHS free
